NORTH COUNTRY
CHAMBER OF COMMERCE

Greetings!
As the representative of the northern New Hampshire and Vermont business communities, the North Country Chamber of Commerce (NCCOC) strives to promote, connect, and strengthen our region as a whole. Our core mission is to advocate for your business, accelerate local economic development, expand your market presence, and provide valuable networking opportunities with fellow business owners.

To better serve you, we are thrilled to announce the launch of our brand-new website! Featuring an enhanced online member directory, a streamlined events calendar, and a modern design, our new platform makes it easier than ever to promote your business and stay connected with the community.

We warmly invite you to join our growing membership or renew your support for the 2027 Membership Period.

Our organization thrives thanks to our dedicated Board of Directors—hardworking, prominent local business professionals who bring unique skills and expertise to the table to advocate for their industries and communities. They volunteer countless hours to ensure the Chamber effectively serves you.

We are also actively seeking passionate individuals to join our committees or serve on our board. If you are interested in helping shape the future of the Chamber and influencing our regional impact, please contact our office. We would love to discuss finding an option that perfectly aligns with your schedule and skill set.

With your active involvement, we can continue our upward climb. Thank you for your continued support, partnership, and dedication to the North Country. We look forward to serving you in the coming year!

Warm regards,

Butch Ladd, Executive Director
& The NCCOC Board of Directors
